**Entries of Appearance Information**

**Each individual attorney** must file an entry of appearance in the case, or a case specific pleading in CM/ECF, if he/she wants to receive notices and applicable orders in that case, because the court is not able to capture the information from attorneys whose only appearance is during a telephonic hearing or other proceeding in the courtroom. Failure to file an attorney specific entry of appearance in a case will likely result in the attorney not receiving notices and orders from the Court and possibly not receiving pleadings from other parties in the case.
