

Continuance of the § 341 Meeting and the Confirmation Hearing

If the 341 Meeting is rescheduled or continued to a date beyond the 20th day before the date set for the confirmation hearing, the **Debtor shall promptly file a motion** requesting a continuance of the confirmation hearing, and give notice of any Order granting the continuance to the Chapter 13 Trustee, plan objectors, and any party who has entered an appearance and requested notice in the case. Debtor is advised that the confirmation hearing may not be held less than twenty (20) days after the meeting of creditors is conducted unless the Court determines otherwise (11 U.S.C. § 1324(b)). If a continuation of the confirmation hearing is not requested, and the hearing is held less than twenty days after the 341 meeting, the Court will require the Debtor's attendance at a rescheduled hearing date.
