

Hearing Procedures

All Monday confirmation hearings are now held by telephone only. **Parties shall appear by telephone by calling 833-568-8864. The Meeting ID is 161 090 8955.**

Pursuant to L.B.R. 3015-1, debtors are required to file Local Bankruptcy Form 3015-1.3 - Verification of Confirmable Plan or Local Bankruptcy Form 3015-1.4 - Confirmation Status Report ("CSR") no later than **7 days prior** to the hearing on confirmation.

If the CSR is timely filed and the Court is provided sufficient information to forego the Monday afternoon confirmation hearing, the attorney may not have to appear at the hearing. If the Court has determined it has received sufficient information, it will issue a written order providing the relevant deadlines for the amended plan (i.e. time for filing the plan and notice, extent of notice, deadline for filing objections to the amended plan and the date of the continued confirmation hearing).

If no order confirming the plan or vacating and rescheduling the hearing has been issued, the attorney should assume that telephonic appearance is required.
