

AMENDING THE PLAN

Please refer to Local Bankruptcy Rule 3015-1.

If an amended Chapter 13 plan is filed after the 341 meeting and prior to the scheduled confirmation hearing, it should be filed with a Confirmation Status Report (L.B.F. 3015-1.4). Do not file or serve a 3015-1.2 notice until (1) the court has issued an order setting forth dates for the objection deadline and a new hearing date or (2) the Court has given you those dates at the confirmation hearing. After receiving the dates from the Court, the amended plan should be served with LBF 3015-1.2.
