

## **MOTIONS FOR INJUNCTIONS AND OTHER FORTHWITH HEARINGS**

This Court is willing to accommodate requests for emergency and/or forthwith hearings when possible. In connection with emergency motions which need action during the first twenty (20) days following the Order for Relief in a Chapter 11 case, please see General Procedure Order Number 2002-6. In all other cases, please contact Chambers at **720-904-7413** as soon as possible to alert the Court of the need for any expedited relief. Please be ready to provide Chambers of the amount of court time needed for the hearing and a **realistic** date for the desired hearing. Please note that except in extraordinary circumstances, the Court will not set a hearing unless the party against whom the relief is sought has been given notice of the motion and had the opportunity to participate in the scheduling process.
