

Vacating Hearings

The Court appreciates being notified in advance of settlements which may affect the Court's preparation for a hearing. However, hearings will be vacated only upon (1) receipt of a stipulation or agreement of the parties filed no later than the day before the scheduled hearing, or (2) appearance by at least one of the parties at the hearing, in person or via telephone, who shall read the pertinent portions of the agreement into the record. Counsel shall contact chambers in advance of the hearing at 720-904-7413 to arrange for a telephonic appearance. Failure to contact the Court in a timely manner will preclude the parties from appearing by telephone.
